|--------------------------|-----------------------|---|--|---|
| Youth work skills | Attachment | This session will help practitioners and people who work with young people to understand the issues and connections behind why young people may behave in ways and how this links to their early attachments. The training will introduce Attachment theory, and then focus on a practice based approach to understanding the effects of early attachment styles and experiences on the child's development. This knowledge will then inform working relationships with young people. | Monday 18 th Jan 2021 9.30-12.30 | Email jennifer.skella@42ndstreet.org.uk by 10 th January to book on |
